TEEN MOM
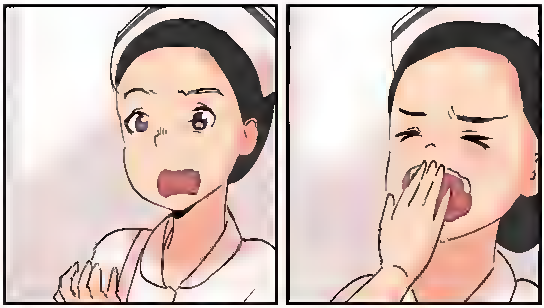
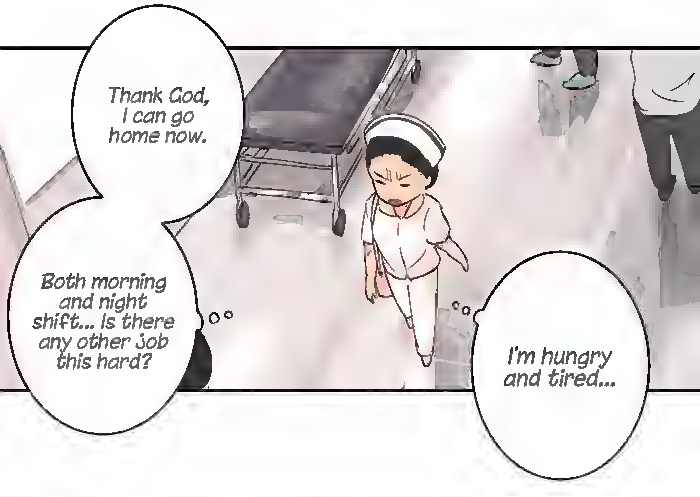
Chapter 14 Prenatal Care

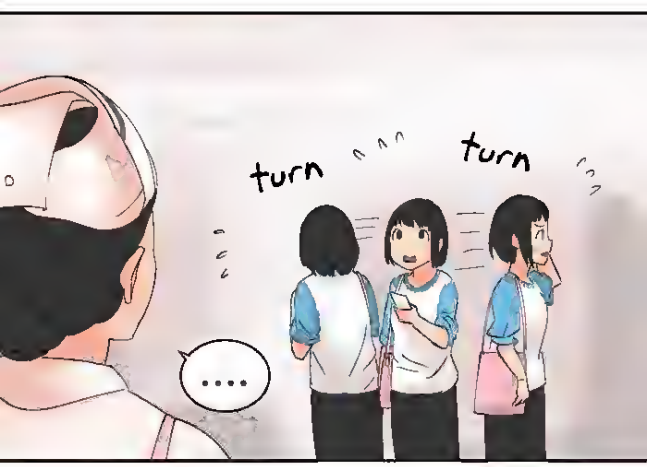




Thank God, I can go home now.
Both morning and night shift... Is there any other job this hard?
I'm hungry and tired...

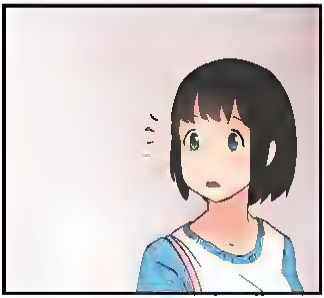
It's almost noon...
Should I eat something or go to sleep?

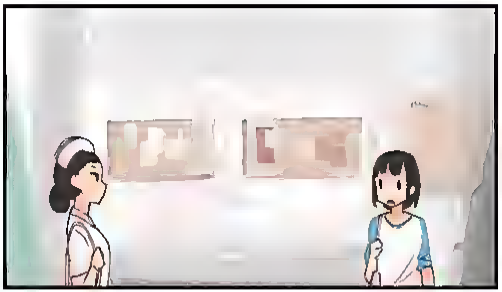
Hm?

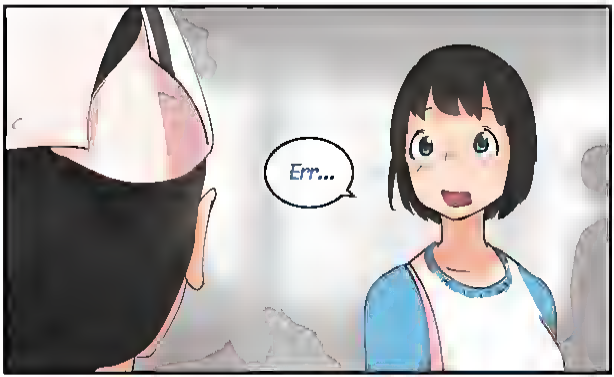


turn
turn
....

Glare

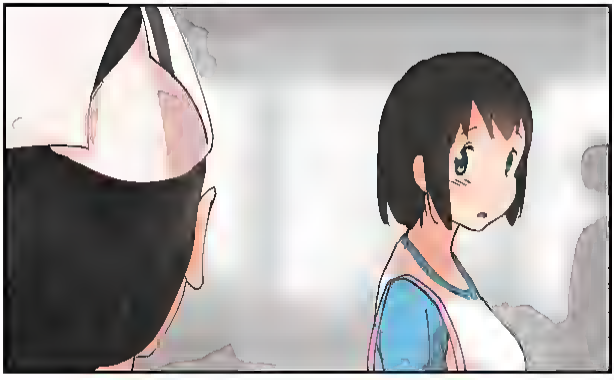


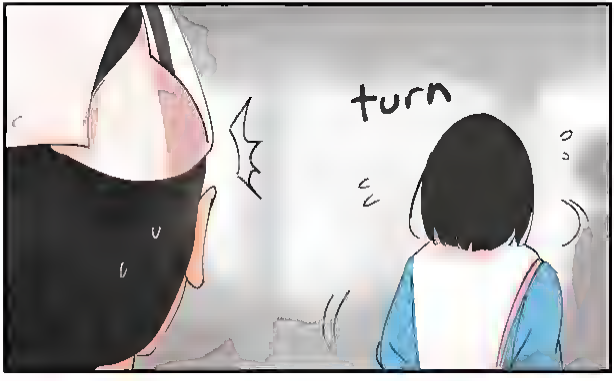




Err...

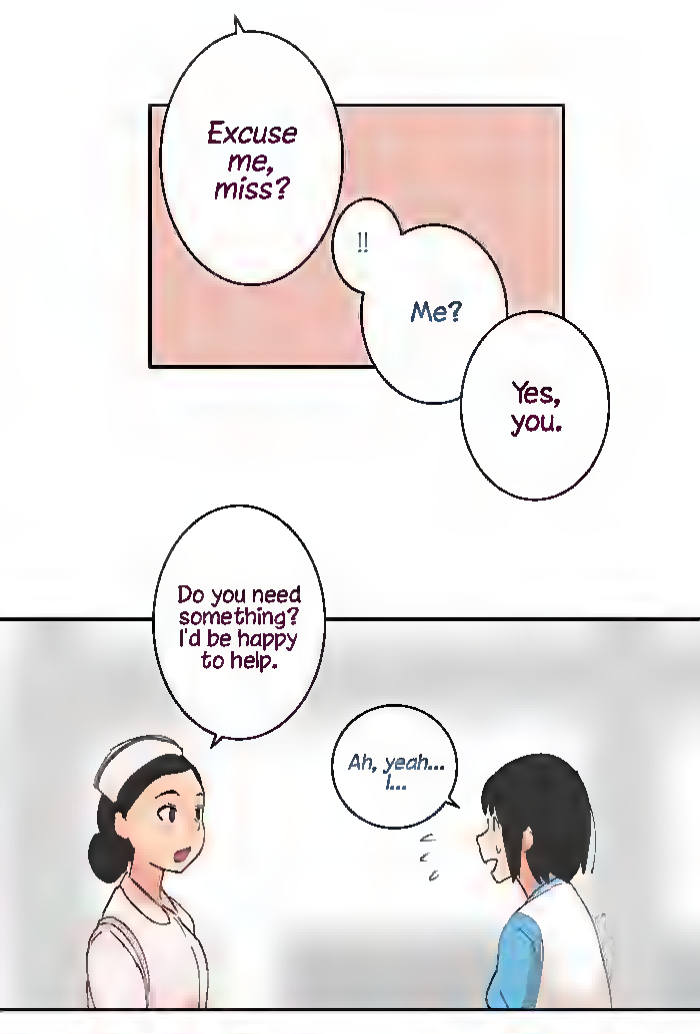
I...



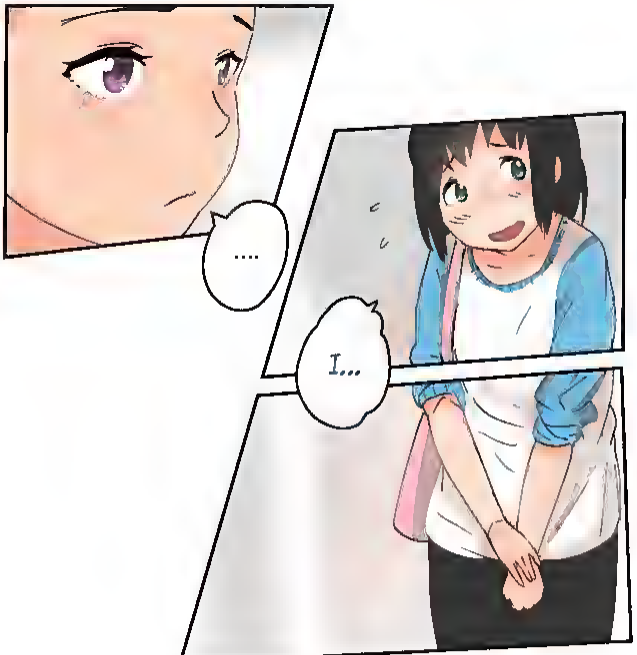


turn

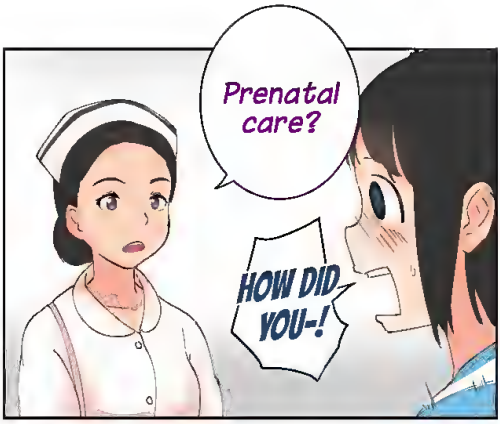
Do I look so shabby that young girls can't trust me?!



Excuse me, miss?
!!
Me?
Yes, you.
Do you need something? I'd be happy to help.
Ah, yeah... I...



....
I...

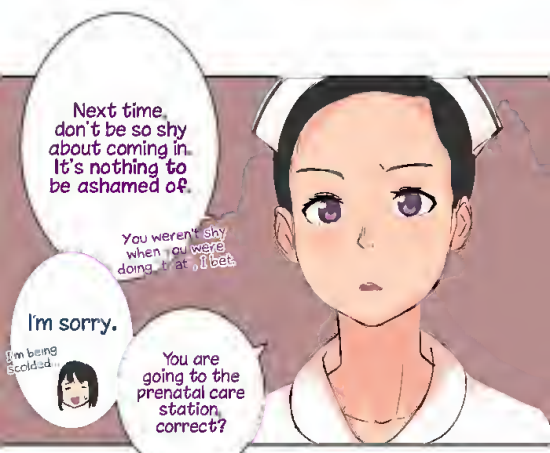


I used to apprentice at a prenatal station when I was studying.

Ah...

Girls with your kind of look always come in around this time.

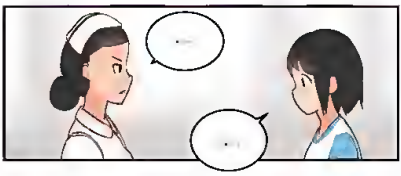
Is... Is that so...?



Next time, don't be so shy about coming in. It's nothing to be ashamed of.
You weren't shy when you were doing it at all, I bet.
I'm sorry.
I'm being scolded.
You are going to the prenatal care station, correct?

If you didn't know, you have to register for a hospital ID card at the counter over there. The prenatal station is right next to it.

Thank you.



Did... Did anyone come along with you? Your husband, or a parent?
I'm here by myself.
Wow. It's rare, seeing someone come to prenatal care all alone.
You've got guts.
Is that so? Haha...

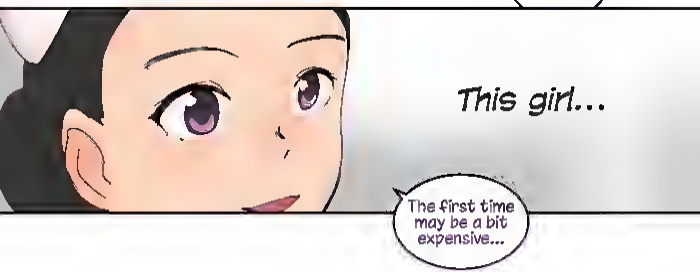
Do you have an ID card with you?

Yes.

Money? You have to pay a fee.

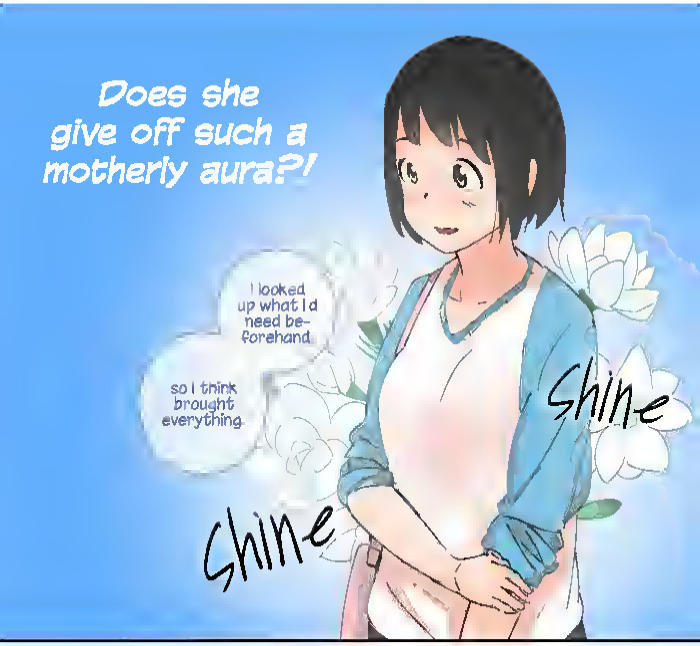
Of course.

Impressive. You're well prepared.



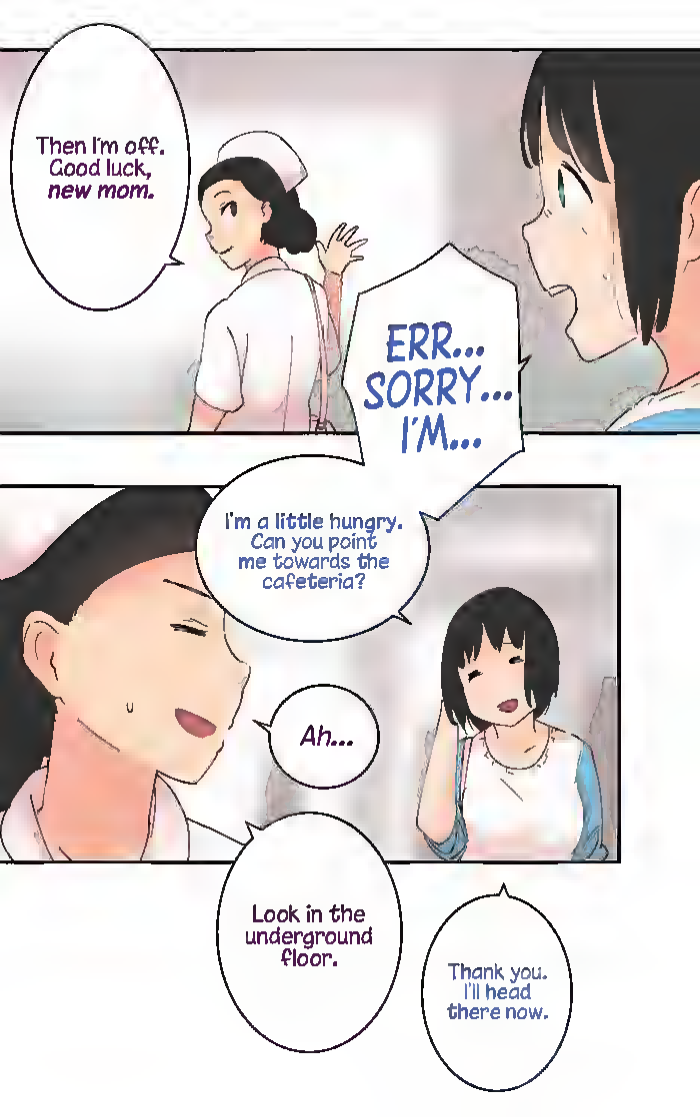
Is just one lone pregnant girl.

So how...

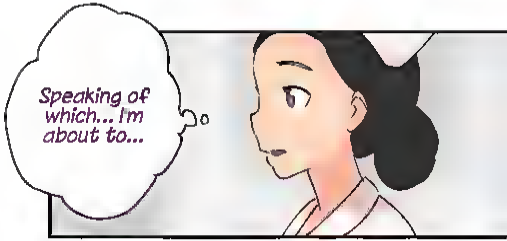


Does she give off such a motherly aura?!
I looked up what I'd need beforehand.
so I think brought everything.
Shine
Shine

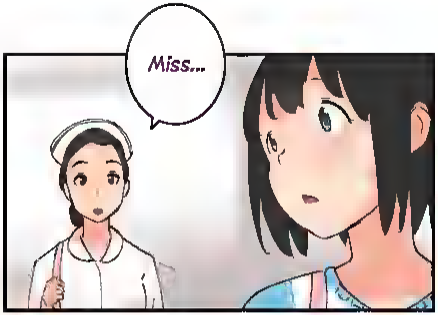
I may worry too much.



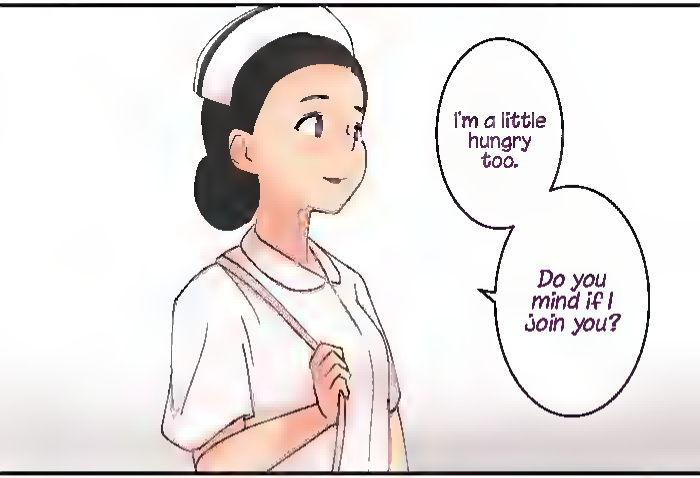
Then I'm off. Good luck, new mom.
ERR... SORRY... I'M...
I'm a little hungry. Can you point me towards the cafeteria?
Ah...
Look in the underground floor.
Thank you. I'll head there now.



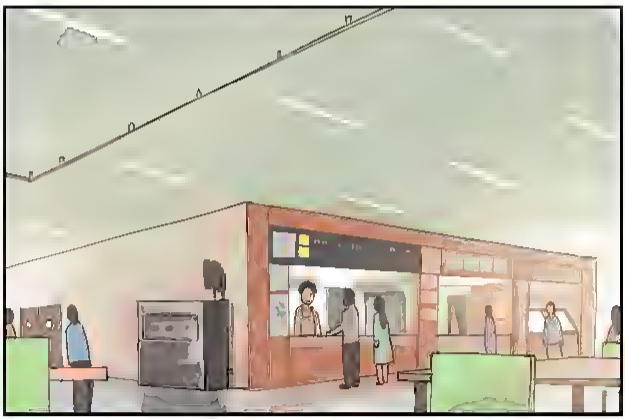
Speaking of which... I'm about to...

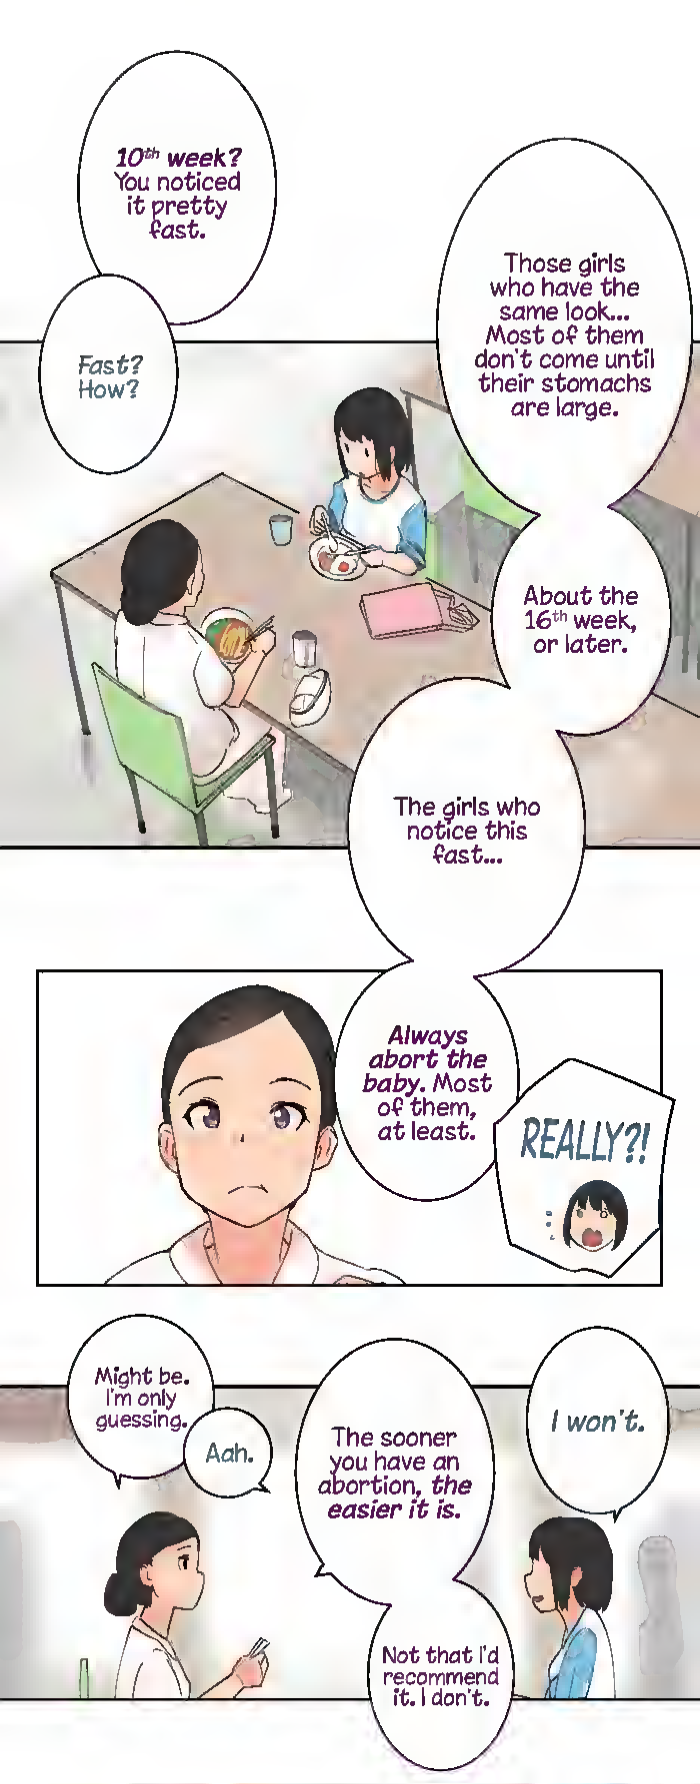


Miss...



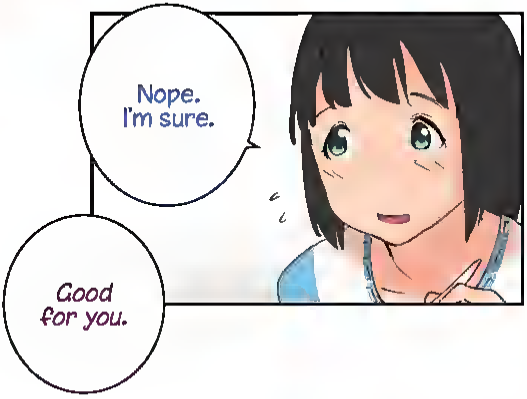
I'm a little hungry too.
Do you mind if I join you?



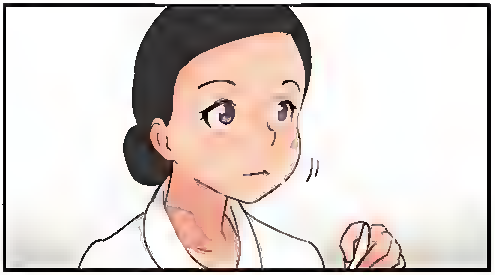


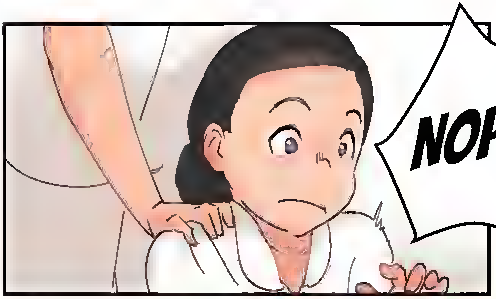
10th week? You noticed it pretty fast.
Fast? How?
Those girls who have the same look... Most of them don't come until their stomachs are large.
About the 16th week, or later.
The girls who notice this fast...
Always abort the baby. Most of them, at least.
REALLY?!
Might be. I'm only guessing.
Aah.
The sooner you have an abortion, the easier it is.
I won't.
Not that I'd recommend it. I don't.

Y... Yeah?
You didn't even consider it.
Such a quick response

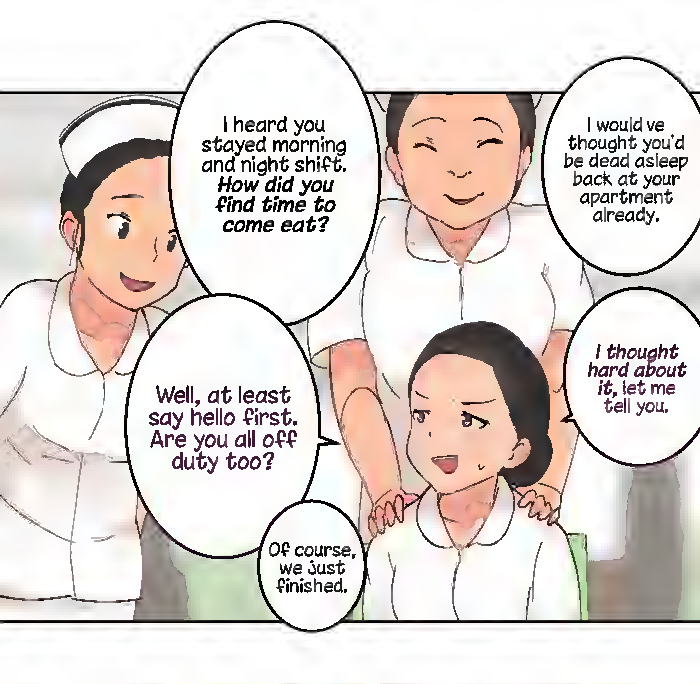


Nope.
I'm sure.
Good for you.

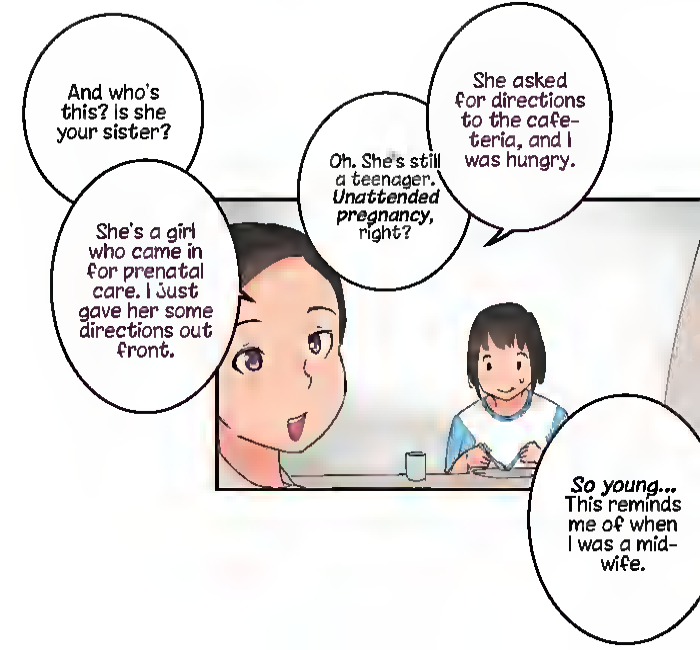




NOP!

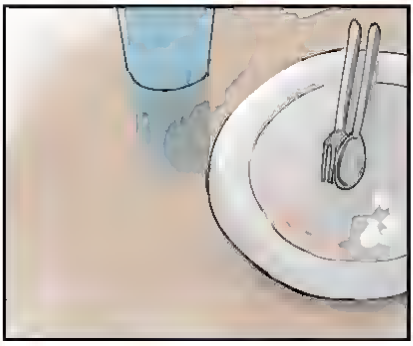


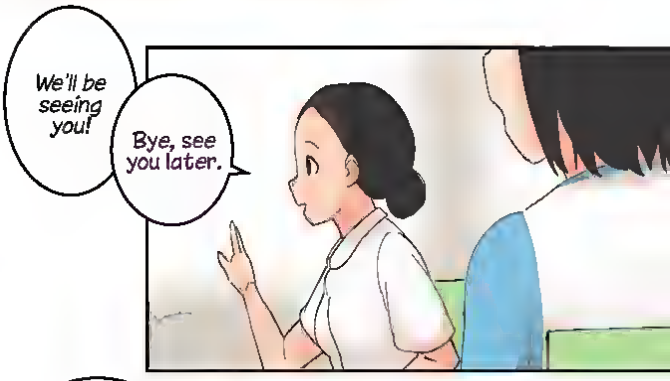
I heard you stayed morning and night shift. How did you find time to come eat?
I would've thought you'd be dead asleep back at your apartment already.
I thought hard about it, let me tell you.
Well, at least say hello first. Are you all off duty too?
Of course, we just finished.



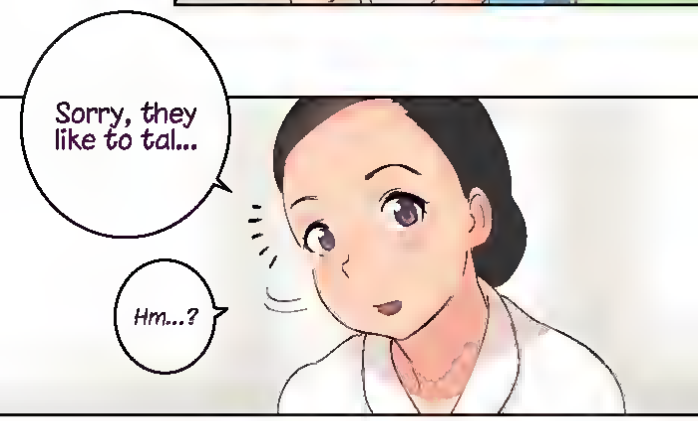
And who's this? Is she your sister?
She's a girl who came in for prenatal care. I just gave her some directions out front.
Oh. She's still a teenager. *Unattended pregnancy*, right?
She asked for directions to the cafeteria, and I was hungry.
So young... This reminds me of when I was a midwife.

When I was training in the countryside, a girl only fourteen years old came in with her husband. She had been pregnant for 7 months.
The thing that really shocked me was that she didn't even know what birth control was!
It really was a headache. We had to teach her sex ed all the way from the start. Hahaha.
Ooh... In my case, there was one mother who was 25 years old, and she was taking her 12 year old daughter in, who'd been pregnant for four months.
Is that really something you should brag about?



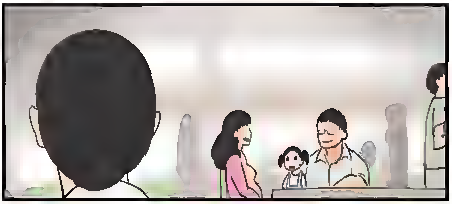


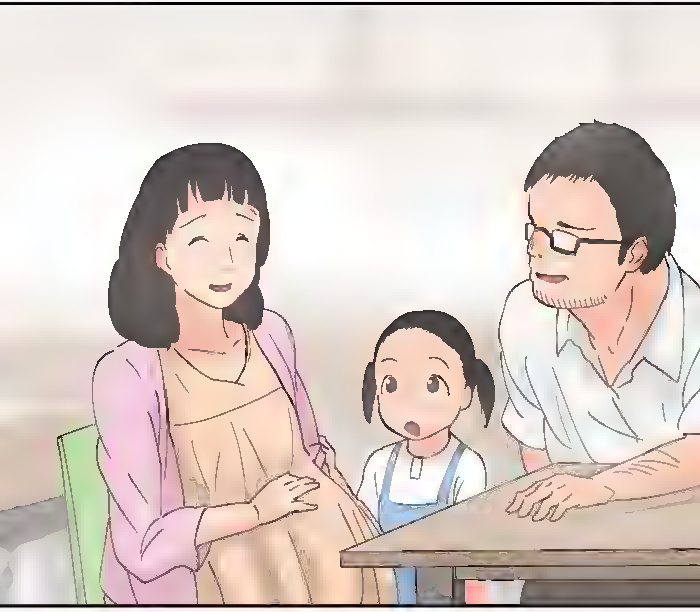
We'll be seeing you!
Bye, see you later.



Sorry, they like to tal...
Hm...?

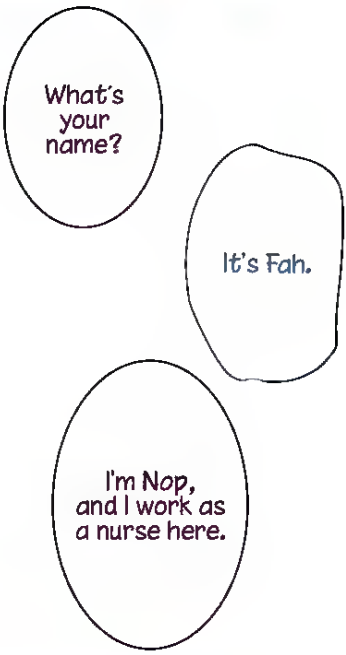
?





Haa.
It's none of my business...

Hey.
Miss.
MISS!
Y... Yeah?



What's your name?
It's Fah.
I'm Nop, and I work as a nurse here.

I'll take you to the prenatal care station...
